Precut Utility Flooring Kit

REPLACE CARPET WITH RAMM'S MAINTENANCE FREE PRECUT UTILITY FLOORING KIT

The RAMM Pre-Cut Utility Flooring Kit is a great alternative to carpet. Ideal for utility aircraft, training aircraft and multi mission aircraft. The utility flooring is easy to wipe clean and doesn't stain. The kit is precut and easy to install. Eliminate carpet and all the worries that go with it!!!

RAMM offers a complete replacement interior kit that includes a wipe clean bulkhead and headliner kit, carpet or utility flooring, replacement black leather controls boot kit as well as replacement cushions and covers in leather or Naugahyde.

Key Features and Benefits

- Aviation quality coin embossed vinyl flooring with a clear wear resistant layer and backing cloth
- Includes double sided tape for easy install
- Easy to clean and maintain
- Very durable and stain free
- Available in Tan, Blue and Utility Grey

About RAMM Aerospace

RAMM Aerospace has been providing quality interior products and services to the aviation industry since it was founded in Montreal, Canada in 2008. The company is best known for its meticulous attention to detail and world-class craftsmanship in the manufacturing and finishing of business and commercial cabinetry, upholstery and loose equipment. The company's in-house engineering capabilities enable a timely execution of customer-driven STC solutions. "Our Solutions Start With You".
